

**American
Red Cross**

Together, we can save a life

The mission of the Red Cross is to help people prevent, prepare for, and respond to emergencies. Responding to emergencies includes providing disaster relief services, 24 hours a day, 365 days a year. The services that the American Red Cross provides are described below.

Disaster Services

This direct emergency assistance includes vouchers for food, clothing, medicine, emergency shelter, basic household necessities, mental health counseling, emergency home repairs, damage assessments and building repair estimates. In addition, American Red Cross disaster volunteers work as case managers for disaster victims, providing linkage to non profit organizations that offer fuel assistance, emergency care for pets, donations for needed goods and services and pre-disaster needs. All direct assistance from the Red Cross is based on verified, disaster-caused needs. *We never send a bill for these services, no matter how long we must stay on the scene of a disaster.*

Armed Forces Emergency Services

The Red Cross also serves as the official communication link between active members of the military and their families relaying urgent messages regarding birth, death, and serious illness. This service is also provided 24 hours a day, 365 days a year, around the world, without federal or state funding.

International Services

The Red Cross works with other national societies to trace family members in the midst of war, civil unrest or disaster in other countries. This service includes; exchanging family messages, making international disaster relief inquiries and providing information and referral services.

Health and Safety Programs

Preparing for emergencies is also a vital part of the Red Cross Mission. We achieve this goal by providing health and safety courses, including first aid, CPR, life guarding training, water training, water safety and swimming lessons and HIV/AIDS education. Each year, thousands of residents throughout the Greater White Mountain region receive certification in these classes and stand ready to assist when help is needed.

The American Red Cross provides these services to 69 communities in its jurisdiction, covering more than 3,000 square miles from Gilmanton to the Canadian border.

The Red Cross is not a government agency and receives no federal or state government funding. We are a non profit organization that depends on charitable gifts of time and money from the American people to provide our services. You have been very supportive to the American Red Cross in previous years and we are very appreciative.

Sincerely,

Shelley M. Proulx, Manager
Greater White Mountain
